“ *The world has lost a wonderful lady. We grew up together as neighbors from her birth thur high school. I had not got to see her since high school until my dad passed away a few years ago and she was visiting her mom as I stopped by my folks home. It was such a blessing to get to see her as her words were so much help in my time of need.*

I am so sorry for your loss.

“ *Larry and family,*

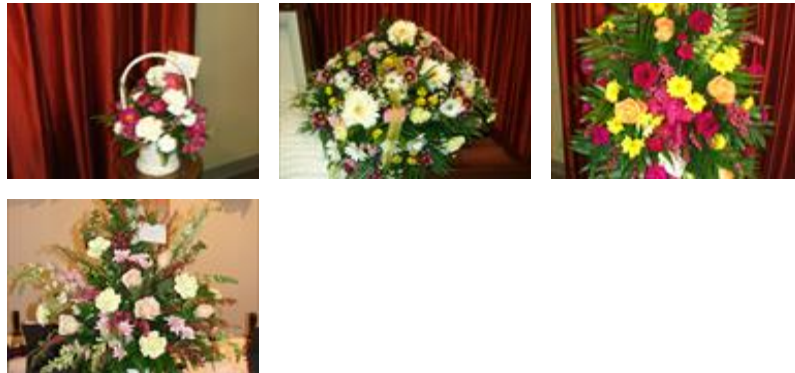

Mrs. Maddux was my 4th grade teacher in the 94-95 school year. She was an amazing teacher and person who cared so much for all her students. She was one of the reasons why I became a teacher and she will be missed by many.

“ *Larry and Family -*

Ila was more like a sister to me than a cousin. She was gentle and kind, a loving caregiver; happiest when surrounded by her family. She also had an "itchy foot" and enjoyed travel and new adventures. We shared many happy times together.

I loved Ila and will miss her. There is no one who can fill that void in my heart.
