“ To my DEAREST Lee Christopher,
I know how much we loved each other, but it doesn't make it any easier. I miss you so much it hurts. I loved your smile, your laugh, your willingness to forgive; which is the best quality anyone can have. I will think of you morning, noon and night. What the hell, I will think of you 24/7. Danny is here with me and we are not doing so well, so maybe you could help us as well. I will look for signs to comfort all of us and know that it came from you. I love you so much!!!!!!!

“ Michelle, Larry and Joe, Jessie and I are so sad to hear about Lee. The few times we met him, he was a delight to be around. I know that there is now a hole in your heart but fill it with the good memories and, in that way, he will always be with you.

*Jacob, thank you so much and I love the pic although Lee might haunt you for his appearance in the pic as he always hated the way he looked. All in all I think it is awesome!
Thank you.

“ Michelle & family,
We are so sorry to hear about Lee. I remember when he was in school with Jacob at Elmont and when Jacob and Craig shaved their heads to help Lee feel more comfortable with his battle at that time. Lee...such a nice kid with a great sense of humor!! Always laughing. You and your family are in our thoughts and prayers at this difficult time.

Dear, Dear Michelle-

I was so glad to see you in KC also. Time passes so fast.... Kasey was the one who first received the news about Lee and was heart broke that her cousin was gone and she never knew him. I can't believe he is gone and I too, never knew my nephew the way I should have.

I am so so sorry that Lee had to endure so much pain during his life and that he was taken from you at such a young age. I can't imagine your pain but please know my thoughts and prayers have been with you.

I hope Norman told you that we moved to Las Vegas a few weeks ago and don't think I will be able to make it back for the service. I'm sorry I can't be there but my heart, thoughts and prayers will be with you.

I know that Tony was standing at the gates of Heaven with his arms outstretched waiting for Lee....

Love you and hopefully we can talk soon - God Bless all of you - Julie
