“ I am one of her best friends little sister, Martha. I am Neds sister, and I thought of Robin as a sister, even though we didnt talk alot, we were so busy with life. She was such a great person, always trying to see the bright side of things, always trying to make people smile. She loved her little neices so much, she talked of them all the time. I have known Robin for as long as I can remember, her and Ned have been friends forever. She is always willing to come to family parties and things, and has been a rock for my brother, helping in ways maybe we couldnt. I know my brother, along with many others will miss her every day. Robin, you are a very loved and sweet person. May you find peace where you are, and remember you are loved and will always be missed. Martha McCall, (Ned lil sister)

Robin will be truly missed in our lives. As Tim said it was so unexpected and sudden. We had so many great times sitting out by the fire eating our shrimp and lobster. We would over doing it on cake balls. We would go way overboard on our fondue nights. We loved tearing up the Mexican food till we couldn't move. Robin and Ned kept us company (helped watch over) a large group of kids for our daughter Kelsey's 16th birthday party. We loved spending time with Robin and she will be truly missed.

Your family and Ned is in our thoughts and prayers.
