“ Dana and family, Todd is gonna be really missed. He was a great guy to just be around. Funny, opinionated, just a do-anything-for-ya type of cat. I'm gonna miss those middle-of-the-night phone calls from him while he was sitting in his garage. lol

“ Dana,  
My condolences are with you and your family during this difficult time. I have been gone from Rossville now for almost 10 years but it was only like yesterday seeing Todd and the smile he always so warmly wore. What a blast it was to go to school with him and the times we had I have and will always cherish. Getting him and Trey together was something to behold back in school and doubt if there will ever be a team like that again. My thoughts and prayers are with you Dana and may you find strength through our lord Jesus Christ.

“ You and Your Family are in my thoughts & prayers. Todd will never be forgotten...he will always remain in our hearts forever.

When we were kids, I remember going to Bill & Linda's to visit. I remember Todd & Troy had some kind of toy that made plastic bugs. We would play with that for hours with them.

There are other memories I have too. Another one is when we went swimming at the creek when the Raine's came to visit us. Todd & Troy got into the area where there were leeches. My brother and I knew not to go over that direction and tried to warn the boys. They both came out of the creek covered in leeches.
